THE ACADEMIC PROCESSION AND REGALIA

The academic procession is one of the oldest traditions of colleges throughout the world. In medieval times the ordinary dress of the university scholar, whether student or teacher, was the dress of the cleric including a long gown, and often in cold weather a cloak with a hood which could be pulled up over the head for cover and protection.

Although fashions have changed since the 16th century, scholars of the post-medieval period have retained the academic attire. Eventually the attire was prescribed by university statutes to distinguish the different faculties and degrees-of-learning. The associate, bachelor, master, and doctoral gowns differ stylistically in cut and decorative motif.

The colorful hoods, which indicate fields of learning and the institutions conferring the degree, were originally worn over the head, but during the 16th century, caps were adopted and the hood was draped over the shoulder.

A long tassel is attached to the middle point of the top of the cap, to drape over the left edge of the mortar board. The tassel may be black, gold, or the color appropriate to the academic field or level of achievement.

An Intercollegiate Code has been adopted to represent the different departments of learning and has set forth the standards for academic dress in the United States. The hoods are lined with the official colors of the college from which the wearer received his or her highest degree, while the collar of the hood denotes the academic subject area in which the wearer majored. These colors are assigned according to the following scheme:

Agriculture	Maize	Medicine	Green
Arts, Letters & Humanities	White	Music	Pink
Business Administration	Drab	Nursing	Apricot
Dentistry	Lilac	Oratory (Speech)	Silver Gray
Economics	Copper	Pharmacy	Olive Green
Education	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Physical Education	Sage Green
Fine Arts	Brown	Public Administration	Peacock Blue
Forestry	Russet	Public Health	Salmon Pink
Home Economics	Maroon	Science	Gold-Yellow
Journalism	Crimson	Social Science	Citron
Law	Purple	Theology or Divinity	Scarlet
Library Science	Lemon	Veterinary Science	Gray

"AMERICA, THE BEAUTIFUL"

Katherine Lee Bates, Samuel A. Ward

*O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain.*

Chorus

*America! America!
God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea.*

*O beautiful for patriot dream
That sees beyond the years,
Thine alabaster cities gleam
Undimmed by human tears.*

Chorus

*America! America!
God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea.*
